

Procedure Name		Exemptions from Policy #104								
Date		2013-05-10								
Approval Date										
Executive Summary										
<p>Paragraph 1.6 of Policy #104, Acceptable Use and Security of UBC Electronic Information and Systems, provides that:</p> <p style="padding-left: 40px;">1.6 Where a UBC System is not intended to be used for University Business, the CIO must, in consultation with the Office of the University Counsel, approve separate terms of use that govern the use of such system. Upon such approval, this policy will not apply to such system.</p> <p>This Directive contains a list of the systems that are exempted from Policy #104 under the above paragraph.</p>
